

Leighton Contractors Group

Environment Policy

Leighton Contractors is committed to environmental sustainability. We strive to balance our economic and operational requirements with our social responsibilities to minimise impact on the environment and surrounding communities. Continual improvement in environmental performance is a key element of our commitment to corporate social responsibility and sustainability.

To assist us in achieving our environmental objectives we will undertake the following:

- Promote a culture of innovation and participation engaging our employees to contribute to improving the company's environmental performance
- Promote the efficient use of energy, reduction of waste and recycling of materials in all of our business activities
- Encourage ethical environmental practice and behaviour including respect for cultural and community values
- Maintain formal environmental management systems which conform to recognised standards including ISO 14001
- Comply with environmental laws applicable to our business and meet or exceed all relevant statutory obligations and codes of practice to which we subscribe
- Assess environmental risks and implement appropriate risk management programs to continually improve environmental performance across our business and projects
- Report regularly on our environmental performance and take remedial action where performance does not meet expectation
- Communicate this policy to all company personnel, contractors and clients through induction, education and training to promote environmental responsibility and obligations
- Influence our suppliers and contractors to act consistently with our approach towards responsible environmental practices.
- Periodically review this policy and the environmental management system to ensure both remain relevant to our business.

This policy will provide the framework for setting environmental objectives and targets within our business.

All employees are to be made aware of this policy and are required to actively work towards achieving its objectives in their specific area of responsibility.
